

HYDERABAD GROWTH CORRIDOR LIMITED

Expression of Interest for “Consulting Services for Construction Supervision for Construction of Eight lane access controlled Expressway as Outer Ring Road to Hyderabad city in the State of Andhra Pradesh, India in the stretches from Shamirpet to Pedda Amberpet from Km 61.700 to Km 95.000 (Northern Arc)” for which loan assistance has been sought for from Japan International Co-operation Agency (JICA) during 2008-09.

(1) Hyderabad, the capital city of the State of Andhra Pradesh, is one of the six Metropolitan cities in India. The city is witnessing rapid economic growth, being a preferred location for major software companies, ITES industries, Bio Technology etc. In order to provide development of well planned and well connected urban settlements around the Hyderabad Metropolitan area, Hyderabad Metropolitan Development Authority (formerly Hyderabad Urban Development Authority), a Statutory Agency of Government of Andhra Pradesh proposed to provide an orbital linkage to cater to the new developed areas for movement of large volumes of traffic at high speed. The orbital linkage, Outer Ring Road, is proposed to be a fully access controlled expressway. For expeditious implementation of the project, HMDA promoted a subsidiary company **Hyderabad Growth Corridor Limited (HGCL)**, in association with **Infrastructure Corporation of Andhra Pradesh (INCAP)**. The **HGCL** is mandated to take up the work of Outer Ring Road Project.

(2) The Outer Ring Road (ORR) consisting of Southern and Northern Arcs is being taken up in two Phases. The Phase-I of ORR Southern Arc of length 24.380 Km stretching from Gachibowli to Shamshabad has been taken up in July, 2006 and the work is in progress. The Phase-II of ORR Project Southern Arc is taken up on PPP model as BOT (Annuity) contracts consisting of 5 Packages and the same were entrusted to the Concessionaires and the work commenced in December, 2007. The ORR Project Northern Arc is proposed for the Loan Assistance of Japan International Co-operation Agency (JICA). Loan Agreement was concluded with Government of Japan (ID-P:193) for the ORR Project Northern Arc Phase 1 comprising of length 38.00 Km in the stretch from Patancheru to Shamirpet i.e., from Km 23.700 to Km 61.700. Procurement process in respect of the civil works and Supervision Consultancy Contract covered by this Loan agreement is under progress.

The balance length (33.3 km) of ORR Project Northern Arc between Shamirpet and Pedda Amberpet in the stretch from km 61.700 to km 95.000 has been proposed for the loan assistance of Japan International Cooperation Agency (JICA) for consideration during the year 2008-09. Procurement process in respect of civil works and Supervision Consultancy Contract in this regard is being taken up by HMDA/HGCL in accordance with the JICA guidelines.

(3) The HGCL intends to short-list Consultants for Construction Supervision of eight lane access controlled Expressway in the above stretch. Individuals / Firms/ Companies/ Joint Ventures, who have proven experience of Construction Supervision Consultancy of similar work having not less than 60 Km length of four laning of National Highways/ State Highways or other similar Highway projects involving construction of Bridges, only can apply for being short-listed for the above supervision consultancy services. The Project consists of 33.300 km of Eight lane access controlled Expressway involving construction of High Embankments/ Bridges/ Elevated Structures using modern equipment and modern construction practices. The civil works contracts are being divided into three Packages and the Construction Supervision in these three packages

shall be covered by one Supervision Consultancy Package as per details hosted at HMDA / HGCL websites: <http://www.hudahyd.org>. or <http://www.hyderabadringroad.com>.

(4) The Consulting services will broadly include project supervision, monitoring, quality control, contract management, making engineering decisions, providing advisory services to HGCL for administering successful and timely implementation of the construction packages, which include construction of Eight lane access controlled Expressway, Two lane Service Roads on either side, construction of bridges etc., to be completed in about 30 months period. The detailed scope of work including the details of construction packages shall be furnished at the time of issue of **Request For Proposal (RFP) to short-listed Consultants.**

(5) The total time period for Consulting Services will be 54 months including Defects Liability Period of 24 months. The Technical and Financial Proposals shall be invited only from the short-listed Consultants.

(6) Consulting Services for Construction Supervision are to be provided by an integrated Multi-Disciplinary team of key personnel which generally consists of:

Team Leader, Senior Contract Specialist, Senior Pavement cum Material Engineer, Senior Bridge Engineer, Senior Quantity Surveyor, Social Issues Specialist, Resident Engineers, Bridge Engineers, Material Engineers, Highway cum Pavement Engineers etc.,

(7) Instructions for submission of the Expression of Interest are enclosed at **Annexure-2** and Guidelines for the preparation of the Expression of Interest are enclosed at **Annexure-3**.
